# THE LOWDOWN

Everyone has a Greenwood story...

Originally built in 1878 as a school and later converted to a pub in 1992, Greenwood Hotel is an iconic venue located in North Sydney. Since the 90s, Greenwood has been a magnetic epicentre for live music on the north shore.

If our walls could talk, they'd have plenty of stories to share. Greenwood Hotel has played host to some of the biggest names from the Australian and International music scene, including **Basement Jaxx, Calvin Harris, Green Velvet, Carl Cox, Marlon Hofstadt, Dom Dolla, Charlotte de Witte, Deborah de Luca, Fisher (Cut Snake), Hot Since 82, John Digweed and Snoop Dogg**. Greenwood has also been home to a number of iconic event brands including **Space Ibiza, Ciocoloco, Global Underground, Defected, Sounds on Sundays** and **S\*A\*S\*H**.

Greenwood's iconic sandstone walls wrap around two expansive open-air courtyards, and three dynamic indoor rooms to create one of the most unique and versatile event spaces in Sydney.
