GREENWOOD 

36 BLUE ST, NORTH SYDNEY NSW 2060

WELCOME TO THE GREENWOOD HOTEL

Standing proudly on Blue Street in the heart of North Sydney, The Greenwood is more than a venue, it's a piece of Sydney history.

Originally built in 1878 as a church, this heritage-listed sandstone building has been carefully maintained for over 200 years, evolving from a church, to a school, before beginning its next chapter as The Greenwood Hotel in 1992. Since then, it has become one of North Sydney's most iconic drinking and dining institutions- a place where history, character and celebrations come together under one roof and a place where everyone who's visited has a story to tell and memories to share.

Today, The Greenwood offers four distinctive and flexible spaces, each with its own unique atmosphere: the Chapel, featuring cathedral ceilings, arched windows, and original character; our intimate Lounge Bar with cosy booth seating; and our sun-filled Southern and Northern Courtyards. With space for seated dining, cocktails, a dance floor, and everything in between, The Greenwood is an ideal setting for corporate events, social gatherings, milestone celebrations, birthdays, and large-scale events ranging from 30 to 1,500 guests.

We would love to be able to be a part of your next celebration, big or small. Get in touch with our Functions manager, Jess to create your next experience with us.
